

# Sod Install Crew Leader

Indysod.com, LLC - Lebanon, IN

Indysod.com, LLC is an expanding family-owned and operated sod farm in search of energetic employees. Indysod.com, LLC is a provider of premium sod for primarily landscape contractors, delivered mostly to new home construction sites and commercial locations. We provide two types of sod: Ultra-3D Kentucky bluegrass and Jonathan Green Black Beauty Tall Fescue. We are based out of Lebanon Indiana, and provide sod to central Indiana.

## **Job Summary:**

The Sod Crew Leader is responsible for driving and managing the crew laying sod rolls at job sites, maintaining a steady pace and consistent quality. Sod rolls weigh anywhere from 30-50 pounds or more. They are harvested in 10 square foot sections.

## **Responsibilities:**

- Manage the crew to ensure consistent quality and attention to detail
- Full manual labor, day in and day out
- Assist with other on-site duties
- Cooperate with other employees on the job, maintaining good employee morale and ambition
- Help maintain a positive work environment

## **Requirements:**

- High attention to detail
- Quality work on a production schedule pace
- Energetic and highly motivated to do very difficult, physical labor
- Flexible to change
- Ability and willingness to learn and improve
- Capability of lifting and installing 30 to 50 pound sod rolls under various weather conditions

**Job Type:** Full-time

**Required Education:** High school or equivalent

**Required Experience:** Driving Truck and Forklift Experience

**Required Language:** Bilingual a plus but not necessary

**Required License or Certification:** Driver's License; CDL Class A or CDL Class B preferred but not required
